

## **Raffles Marina ILCA Championship 2025**

### **Welcome Pack**

Dear Participants,

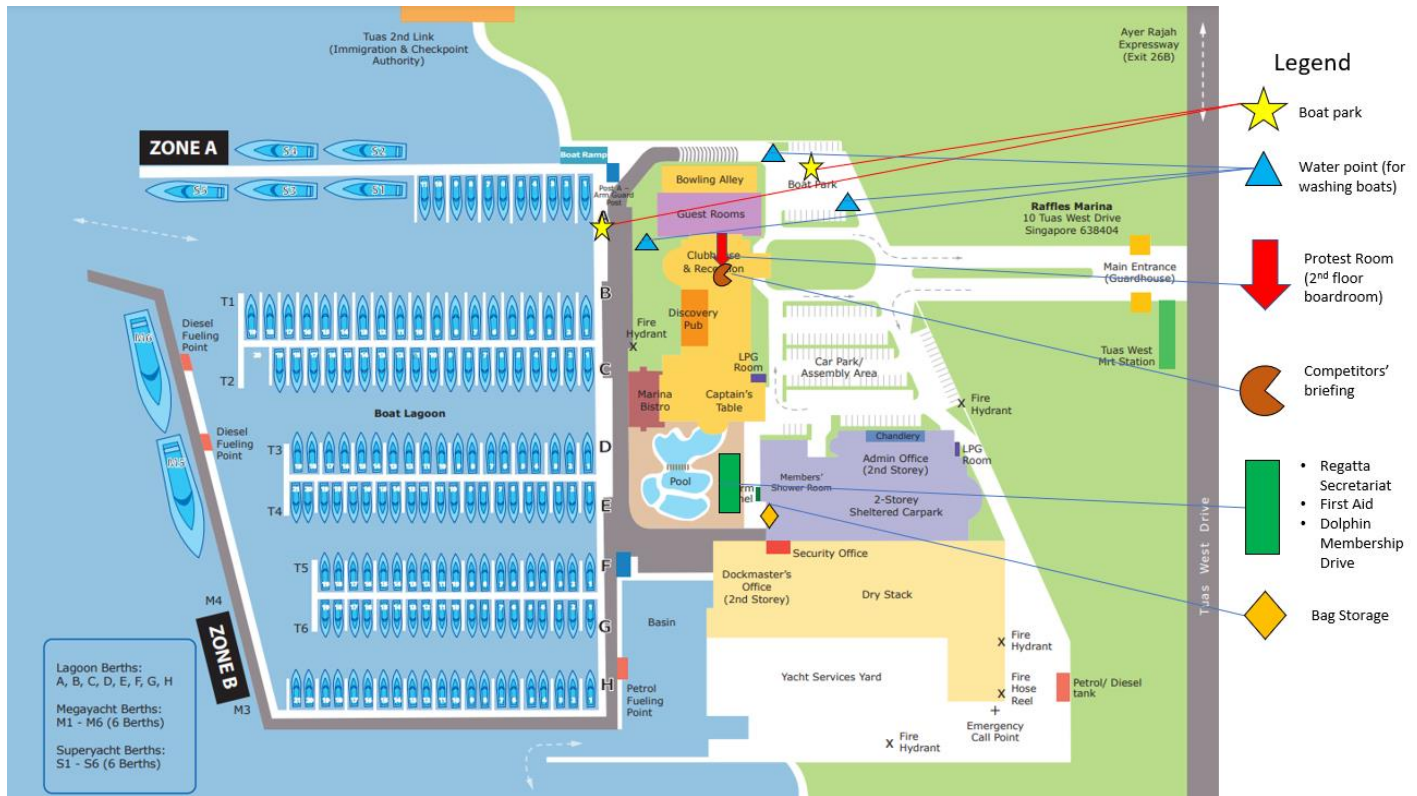

On behalf of the Club Management, we thank you for your participation in Raffles Marina ILCA Championship 2025.

This welcome pack is meant to give you some information and guidelines for the RM ILCA Championship weekend. We are looking forward to being great hosts, and we hope you will be returning home as delighted guests too.

Enjoy the racing and hospitality, and a very warm welcome to Raffles Marina!

## Club Rules

- No wet apparel is allowed inside the main clubhouse.
- Please do not wash your sailing gear in the toilet sinks.
- Please respect the shared areas in the club and keep volumes down.

## 1.1 Berthing

The Laser boats are parked at two locations to the East of the main clubhouse.

## 1.2 Proper footwear

We cannot emphasize enough the importance of proper footwear and we will be repeating this throughout. Sailors are **required** to wear their booties during the launching and recovery process. While we will have first aiders on standby for emergencies, we do not want to risk any injuries that could easily be prevented with proper footwear.

## 1.3 Washing Points

Water hoses have been prepared along the berthing route and at the boat park. It would be helpful for traffic control that sailors wash their equipment at the washing points located nearer to the boat park so as to not congest the limited runway.

## 2 CLUB FACILITIES

### 2.1 Shower Rooms

There are two separate shower rooms available at the club. One being the member's air-conditioned restroom located near the Pool Deck and the other for visitors located at the main clubhouse. During the RM ILCA Championship weekend, both shower facilities will be available for participants to use. **Please note that for sailors training the weekend and week before the RM ILCA Championship, only the visitor shower rooms are open for use.**

### 2.2 F&B Outlets

Food options are plenty; we have 2 outlets for F&B – [Marina Bistro](#) and [Captain's Table Chinese Restaurant](#). All our outlets are open to public while RM members are entitled to special rates.

## 2.3 Swimming Pool

The pool is open to sailors during RM ILCA Championship, pool rules are to be adhered to at all times. Proper attire and pool etiquette must be observed. There will be no lifeguard on duty.

**Failure to abide by these rules will result in closure of the pool usage to Club's discretion.**

## 3 REGATTA SECRETARIAT, POOL DECK

All sailors are entitled to the limited-edition RM ILCA Championship 2025 tee. Sizes are based on first-come-first serve.
